Centred on silence Counting on nothing I saw you
standing on the sea And everything was Dark except
for Sparks the wind struck from your hair Sparks that
turned to Wings around you Angel voices mixed with
seabird cries Fields of motion Surging outward
Questions that contain their own replies...
You were dancing I saw you dancing Throwing your
arms toward the sky Fingers opening Like flares Stars
were shooting everywhere Lines of power Bursting
outward Along the channels of your song Mercury
waves flashed Under your feet Shots of silver in the
shell-pink dawn...
