Here come the helicopter -- second time today
Everybody scatters and hopes it goes away
How many kids they've murdered only God can say
If I had a rocket launcher...I'd make somebody pay.
I don't believe in guarded borders and I don't believe in
hate
I don't believe in generals or their stinking torture
states
And when I talk with the survivors of things too
sickening to relate
If I had a rocket launcher...I would retaliate
On the Rio Lacantun one hundred thousand wait
To fall down from starvation -- or some less humane
fate.
Cry for Guatemala, with a corpse in every gate
If I had a rocket launcher...I would not hesitate
I want to raise every voice -- at least I've got to try.
Every time I think about it water rises to my eyes.
Situation desperate echoes of the victims cry
If I had a rocket launcher...some sonofabitch would die
Chiapas, Mexico and Toronto
February and April 1983
