It's not the laughter of rain in the drain
It's not the laughter of a man in pain
It's not the laughter you can
hide behind
It's not the laughter of a frightened mind
Balanced on the brink only waiting for a shove
You better listen for the laugh of love
It's not the laughter of the gloating rich
It's not the laughter of the sacred bitch
It's not the laughter of the
macho fool
It's not the laughter that obeys the rules
More of a chain saw in a velvet glove
You better listen
for the laugh of love
> It's not the laughter of a child with toys
It's not the
laughter of the president's boys
It's not the laughter of
the media king
This laughter doesn't sell you anything
It's the wind in the wings of a diving dove
You better
listen for the laugh of love
Whatever else you might be
thinking of
You better listen for the laugh of love
