Crashing in the kitchen, noises in the hall  
Roll over and go back to sleep -- it's just a dream, that's  
all  
So how come the window's broken? What caused the  
glass to fall?  
And who put that bullet hole in Peggy's kitchen wall?  
Police arrive -- muddy up the floor  
Dig out half the plaster -- it's a .38 for sure  
Kick the neighbour's door in, saying better tell it all  
Who put that bullet hole in Peggy's kitchen wall?  
Blaster on the back porch shaking up the lane  
They're drinking gin and joking -- laughter falling down  
like rain  
Everybody wears a halo -- never saw nothing at all  
So who put that bullet hole in Peggy's kitchen wall  
Toronto July 1983
