Soul Intruders

We ride the cosmic streams of time  
We are the fools you came to trust  
We blind the eyes of history  
We tear ourselves down from your cross

Half lives...  
We live again...  
Half lives...  
Now we are one...

[chorus:]  
We're the Soul Intruders  
In the whirling void of night  
We're the Soul Intruders  
And we're crying for the light  
We're the Soul Intruders  
With no life of our own  
I'm a sole survivor, but who sits on my throne?

Solar winds have taken hold  
Blowing us where we do not know  
Existence silent and unknown  
Father son and viral host

Half lives...  
Eat but never kill...  
Half lives...  
We live as well...

[chorus:]  
We're the Soul Intruders  
In the whirling void of night  
We're the Soul Intruders  
And we're crying for the light  
We're the Soul Intruders  
With no life of our own  
I'm a sole survivor, but who sits on my throne?

[solo]

Half lives...  
Eat but never kill...  
Half lives...  
We live as well...

[chorus:]

We're the Soul Intruders  
In the whirling void of night  
We're the Soul Intruders  
And we're crying for the light  
We're the Soul Intruders  
With no life of our own  
I'm a sole survivor, but who sits on my throne?
