(B. Dickinson / A. Smith)

In your hour of darkness be not afraid  
As the moonlight shivers on your grave

Come back to find you here  
Save you from the danger  
Come back to lead you home

From the hooded stranger

Conjuring the ghost of Cain  
He won't let you fall again  
Return your soul to sleep again

Conjuring the ghost of Cain  
Cross a cork with silver, won't save you now  
You must pay the ferryman, pay him somehow

There's only one place left  
To take you across the river  
You'll never know who saved you  
The angel who delivered

Conjuring the ghost of Cain  
He won't let you fall again  
Return your soul to sleep again  
Conjuring the ghost of Cain

A streamer from the sun  
Fire 'round your heart

The earth gives up it's dead  
The brothers are apart

Conjuring the ghost of Cain  
He won't let you fall again  
Return your soul to sleep again  
Conjuring the ghost of Cain

Conjuring the ghost of Cain

He won't let you fall again  
Return your soul to sleep again  
Conjuring the ghost of Cain

The ghost of Cain  
The ghost of Cain  
The ghost of Cain
