They turned their backs
I made it too hard
Every place they touched me
Is a laceration now
Sometimes a wind comes out of nowhere
And knocks you off your feet
And look, see my tears
They fill the whole night sky
The whole night sky
Derailed and desperate
How did I get here?
Hanging from this high wire
By the tatters of my faith
Sometimes a wind comes out of nowhere
And knocks you off your feet
And look, see my tears
They fill the whole night sky
The whole night sky
Sometimes a wind comes out of nowhere
And knocks you sideways
And look, see my tears
They fill the whole night sky
The whole night sky
