You point to the sky  
The sky  
Is reflected in your eyes  
And I  
Want to fly  
On a carpet of brown leaves  
We retrace the steps of change  
Construct a tapestry of what will come  
You point to the sea  
I see  
What seems to be so free  
Bound by  
Empty sky  
On a tower of gray earth  
Far above the spray-struck stone  
We climb toward the melting point of time  
Here we tumble down the path  
Comic beggars trading laughs  
For scraps from the tables of the wise
