Irresponsible and unreflecting  
Displacing human sense into the afterworld

Running after faint beliefs, where you just have to feel  
Conceive suspicion, distrust your faith

AAHHH!

Degeneration, dislocation and always hunting for the  
ones to lead you  
No aspiration, no ambition

The one you hope for, the one you wait for  
Lies in a long forgotten tomb  
Condemned and murdered  
Revealed and tortured  
We have killed him, We Have Killed  
him you and I We have Killed Him You and I

Endless, Endless  
drifting with the stream  
And there will be no way to solace

We've raised ourselves to gods  
We drank the seas and wiped horizons  
Just everything we loved has bled to death by our  
knives

The one you hope for, the one you wait for  
Lies in a long forgotten tomb  
Condemned and murdered  
Revealed and tortured  
We have killed him, We Have Killed  
him you and I We have Killed Him You and I

A deed that's just too great for us  
There's no atonement  
And no forgiveness there will be  
no atonement And no forgiveness  
there will be No Forgiveness no  
Forgivness there will be

The one you hope for, the one you wait for  
Lies in a long forgotten tomb  
Condemned and murdered  
Revealed and tortured  
We have killed him, We Have Killed  
him you and I
