Once risen from dark centuries
With inflamed hearts and noble minds
Driven by a vision of a glowing world

And lighted nations in freedom
Now blinded, chained and strangled.
Thrown into a dungeon of corruption

Our fathers wisdom lies

Mercenaries in a war against ourselves
A waste of precious blood and dignity.
Petitioning dastardly idols
And following a godless saviour

Puppets of consumption unlearned creating
Puppets of consumption
A medacious wealth secured by silent slaves
Insane parents, mislead children raised to soldiers
Raised to soldiers.

Mercenaries in a war against ourselves
A waste of precious blood and dignity.

Petitioning dastardly idols
And following a godless saviour
We let them come to power
Unless we unleash enlightenment.

An ancient dogma builds new kingdoms

Mercenaries in a war against ourselves
A waste of precious blood and dignity.

Petitioning dastardly idols
And following a godless saviour
We let them come to power
Unless we unleash enlightenment.

Enlightenment!

An ancient dogma builds new kingdoms
