Hey you, I've seen man's destiny  
In a time of sorrow  
And I describe my dream  
When I fall into desire  
To feel new emotions  
The fog above my eyes  
Is dust of ignorance

Another season of my life  
Begins too late  
When will man understand  
His time?  
The only profeth fo your life  
Is in your mind  
But you don't want  
To hear him right

Lead me inside of the  
Question for miracle  
And it's not too late  
To do it

Heavenblast  
When you try to find  
The real story full of power  
Blast of glory time,  
For a reason tonight  
Must believe in your mind  
Spread your wings, spring again  
Now begin another game.

Hey you, I've seen man's destiny  
In a time of sorrow  
And I describe my dream  
When I fall into desire  
To feel new emotions  
The fog above my eyes  
Is dust of ignorance

Heavenblast  
When you try to find  
The real story full of power

Blast of glory time,  
For a reason tonight  
Must believe in your mind  
Spread your wings, spring again  
In the name of the Heavenblast  
When you try to find  
The real story full of power  
Blast of glory time
