CathyÃ,Â<sup>1</sup>s part : Yeah I always act so dumb seem to fuck things up for fun just canÃ,Â<sup>1</sup>t stop myself behaving like my head needs rearranging i loved you a bit too much yeah but shouldnÃ,¹t you be touched? Seems that all i try to do Is thrown back in my face by you Why do you need other friends? All those boys have their own ends You just flirt and stay out drunk late Till Im hurt and feel such dumb hate I loved you from when we met thatÃ,¹s a night i wonÃ,¹t forget you came up i was so shy i spilled my drink and almost cried then after weÃ,Â<sup>1</sup>d been in love for a year youÃ,Â<sup>1</sup>d had enough Upped and left and walked out on me WhoÃ,Â<sup>1</sup>s have guessed youÃ,Â<sup>1</sup>d turn out so mean? What did I ever get from you? Not enough to see me through Never ever love enough For confidence to make me tough Honey please come back I miss you yeah come here so i can kiss you and i know you wanted this too oh no please come back or iÃ,Â<sup>1</sup>ll die do you want to make a girl cry or at least canÃ,Â<sup>1</sup>t you tell me why? You keep treating me like a fucking idiot

But I love you too much O I donÃ,Â<sup>1</sup>t know AmeliaÃ,Â<sup>1</sup>s part When you act so hopeless Hopelessly in love In fact I forget Forget youÃ,Â<sup>1</sup>re grown up No I could never live up to all your dreams I donÃ,Â<sup>1</sup>t have to be cute right through and

CanÃ,Â<sup>1</sup>t you concentrate on something other than me? Cos IÃ,Â<sup>1</sup>m not yours And never will be now YouÃ,Â<sup>1</sup>ve shown me how you are If I speak to another Oh canÃ,Â<sup>1</sup>t you see YouÃ,Â<sup>1</sup>ve shown me how you are YouÃ,Â<sup>1</sup>re jealous and how far You tried so hard to smother When we met I thought that that you were my dream but yet it now seems seems you turned out mean how did you ever deserve so much from me? I donÃ,Â<sup>1</sup>t need you or your attitude and CanÃ,¹t you just forget now that you ever met me? FUCK YOU NO WAY I DONT HAVE TO DONT HAVE TO EXPLAIN
