Why can't we swim in rainbow streams?  
Instead I have you and your cruelty

I'm mad to be returning  
I'm mad to be returning  
You're bad but I'm determined  
Not learning

That you  
Don't want me, don't need me at all  
That you never call  
And you, will just tell me to go away  
I know you're not changed, you're not changes

I know you're not changed, you're not changed  
Cos boyfriend stays the same

Talking to myself all alone  
I knew you were glad I was gone

And I think I'm happy too  
And I think I'm happy too  
Now you're not forcing me to  
Be sweet

To you  
I don't want you, don't need you at all  
But when you don't call

I feign, and tell all my friends I'm to blame  
But deep down, I know you won't change

I know you won't changed, you won't changed  
Cos boyfriend stays the same

You made me feel like I'd steal every moment I'd get  
With you, and real soon, I was too hurt to stay with you

And I think I'm happy too  
And I think I'm happy too  
Now you're not forcing me to  
Be sweet

To you  
I don't want you, don't need you at all  
I will never fall for you  
Again, now I know you won't change  
Cos boyfriend stays the same

Cos I'm on my own, on my own  
And will be till I let you go
