

Heavenly "Cut Off"

She knew what she wanted
What she wanted wasn't him
But she never let me see
A love I could share is
In my heart and in my hair

They, they said it, so she did it
I was cut off, I was cheated

I drive out alone
And sit outside her home
And pretend she hasn't gone
She, she's not apart from me
She seems me sometime
In the edge of her eye
But I guess she thinks she's wrong
She, she's still a part of me

While he's kissing her
He's pissing on what she deserves
She just smiles and lets it go

Some day, one day soon
I'll make it clear just who loves whom

They, they said it, so she did it
I was cut off, I was cheated

I drive out alone
And sit outside her home
And pretend she hasn't gone
She, she's not apart from me
She seems me sometime
In the edge of her eye
But I guess she thinks she's wrong
She, she's still a part of me
