[Vers 1]

So many things  
I could bring to the world  
I would give my life  
to save the human race  
of a possible danger  
I watch the land and sea

[Bridge 1]

Then I wonder  
where are the bad guys  
who want to destroy me  
There's no work tonight  
but I need some practice  
Where's the challenge in the streets  
Where hides the devil's hand  
I wonder where did the killers go  
I don't need to break free

[Refrain 1]

There's no need tonight  
to defend the world  
Ohh Lord,  
why did you send me here  
From far beyond  
I came for everyone  
Who needs to be saved  
someday.

[Vers 2]

You gave me my powers  
but I can't use them  
What's wrong with this world?  
I will search for a million years

[Bridge 1]

Then I wonder

where are the bad guys  
who want to destroy me  
There's no work tonight  
but I need some practice  
Where's the challenge in the streets  
Where hides the devil's hand  
I wonder where did the killers go  
I don't need to break free

[Solo]

[Refrain 2]

There's no need tonight  
to defend the world  
Ohh Lord,  
why did you send me here  
From far beyond  
I came for everyone  
Who needs to be saved  
someday.

[Refrain 3]

There's no need tonight  
to defend the world  
Ohh Lord,  
why did you send me here  
From far beyond  
I came for everyone  
Who needs to be saved  
someday.
