Running through the times  
I have touched the misery  
There we got no smile  
People lived in poverty  
But still the nature grew  
Riding in the night  
I have killed my enemies  
Bleeding to survive  
Breaking down technologies  
To see the nature grow  
Fight for freedom  
Let's unite to carry on  
It's time to defeat  
Not run away  
Or on the other side we will cross  
Victims of our past we got no failure  
Never return oh we got no no return  
Then we can  
Rise up the universes to give  
To the world a glimmer of joy  
Rise up the universe and tell everyone  
To hear the call of the wild  
Riding, riding for tomorrow  
Savin, savin the kingdom crown

Silence is reigning with sorrow  
Guilty we are eternally.  
Fight for freedom  
Let's unite to carry on  
It's time to defeat  
Not return away  
Or on the other side we will cross  
Victims of our past we got no failure  
Never return oh we got no no return  
Then we can  
Rise up the universes to give  
To the world a glimmer of joy  
Rise up the universe and tell everyone  
To hear the call of the wild  
Rise up the universe to give  
To the world a glimmer of joy  
Rise up the universe and tell everyone

to hear the call of the wild
