Does she ever treat you like you're not there
Loving you, not asking whether you care?
I don't know what I'd do if I were you
I don't know what... but I'd do something soon

Are you ever going to be brave and
Tell that girl you're happy holding my hand?
I don't know how I fell in love with you.
I don't know how I... but I know it's true.

Lemon-haired boy, take me to the sky
Lemon-haired boy, say at least you'll try
Lemon-haired boy, say I'm the only one.

Do you ever get a thrill from her face,
Makes you want to be with her for always?
I don't know what I'd do if I were you
I don't know what... but I'd do something soon

Are we going to be this way forever,
Hiding out in parks, making like heaven?
I don't know how I fell in love with you.
I don't know how I... but I know it's true.

Lemon-haired boy, take me to the sky
Lemon-haired boy, say at least you'll try

Lemon-haired boy, say I'm the only one.

Make her see your world ends with me.
Show her how I make you smile.
In the end, its to easy to still pretend you care,
When your love's just not there

why are you so scared to say it's over?
Are you oh so sure you don't still love her?
I don't know how I fell in love with you.
I don't know how I... but I know it's true.

Lemon-haired boy, take me to the sky
Lemon-haired boy, say at least you'll try
Lemon-haired boy, say I'm the only one.

Lemon-haired boy, take me to the sky
Lemon-haired boy, say at least you'll try
Lemon-haired boy, say I'm the only one.
