When I wake up on Monday  
I don't know why I ever let you stay  
Not a night to remember  
I think you'd better be gone by Tuesday  
You'll be sad when I tell you  
But you have got to go so  
Don't cry I know you can take it  
Your heart I never could break it  
I just want to wake up alone  
Im not the same girl that you once knew  
Cos now I know what I have to do  
So brace yourself for a big surprise  
There's malicious intent in my eyes  
I've started counting the days with you  
And the hours and the hours and minutes too

Don't try to win me with your charm  
It'll only... do you harm  
When I wake up on Tuesday  
I can't believe that I let you get your way  
You smile while you're sleeping  
I feel sick that I was such a weakling  
But this time I mean it  
You are gonna go, so  
Don't cry you'll find another  
Or go stay with your mother  
I just wanna wake up alone
