Day by day we become men  
In this world, in all the nations  
Take your time, no regulations

I'm not ready yet, how to live my life?  
I'm afraid of the wind, of the sun to be free

No, I won't go  
(No, I won't go)  
Far away from home  
(Far away from home)  
There are my friends, my family I need to stay

When I feel the time has come  
(My time has come)  
I will find a power inside me  
(Inside of me)  
To leave what all the others leave behind  
When my turn will come

I will trust my inspiration  
I'm not like the population  
We will see a new generation

I won't take the risk to miss my life  
I'm afraid of the wind, of the sun to be free

No, I won't go  
(No, I won't go)  
Far away from home  
(Far away from home)  
There are my friends, my family I need to stay

When I feel the time has come  
(My time has come)  
I will find a power inside me  
(Inside of me)  
To leave what all the others leave behind  
When my turn will come

The risk to miss my life  
I'm afraid of the wind, of the sun to be free

No, I won't go  
(No, I won't go)  
Far away from home  
(Far away from home)  
There are my friends, my family I need to stay

When I feel the time has come  
(My time has come)  
I will find a power inside me  
(Inside of me)  
To leave what all the others leave behind  
When my turn will come

No, I won't go  
My turn will come  
Far away from home  
I know my turn will come
