He's a teaser  
He sees fun and nothing less  
She was never going to tie him down  
When he gave her  
Such a pretty orange dress  
He was laughing all the...

Way out of town  
Never a frown  
And her head spun around  
In the air

So she wears it  
That orange corduroy dress  
She wears it all day, all day, all day  
So she wears it  
With hope etched onto her face  
That he'll come one day, one day, one day  
But that he'll come soon

She's a loser  
But you can't help feeling sore

Sore at someone who could drop her so  
He amused her  
She was left still wanting more  
Feeling stupid but she

Still has to hope  
Almost to know  
She feels sure that he'll show  
He'll be there

Don't you break her heart  
It's embarrassing  
Don't you break her heart  
It's embarrassing  
It's the saddest thing
