

Heavenly "So?"

So I flirted to touch so maybe I laughed too much
So I teased you
So I said lots of stuff you interpreted as love
I didn't mean to
So you felt sure you were mine, I was yours
So I was dumb, not to make things clear before
So you hurt deep inside when I talked to other guys
SO i noticed
So you gave me your time, love and hope but i kept
mine

so i'm selfish
But nothing I did or could ever have done
would justify what you did to me last night
