Don't say it's groovy
Don't say that to me
Don't say I've had my chance

Missed a pill, it's no big deal (Oh no)
Pat my belly and I'll squeal (I missed)
Blood will often take its time (my pill)
'Specially when it's mine
I don't want to take a test (Don't want)
But I guess it's for the best (to take)
Just don't tell me what to think (that test.)
If it turns pink

What are you saying?
Should I believe you?
Why do you think that
It's the finest thing?

Oh no, not me
It c-c-c-c-c-couldn't be

I'm not so young
But l-l-l-l-life was getting fun
I won't believe that you could wish this on me
That you could want another me

Hey hey don't look so surprised (I'm just)
I thought you'd be on my side (a kid)
Kids are dandy, kids are fine (myself)
When they're not mine
It's not easy to explain (Don't want)
It just feels, well, kind of lame (to get)
And I don't want to get fat (that fat).
At least not for that.
