Doo doo doo  
Doo doo do do doo  
Doo doo doo  
Doo doo do do doo  
Doo doo doo  
Doo doo do do doo

She fell down, I was surprised  
Flowers dancing in her eyes  
She was dizzy, dizzy spinning round  
Hovering above the ground  
Never understanding how things felt  
She's too shy to take your hand  
But if you heard coming from me  
I'll tell you truly, I'll tell you truly

'Cause beauty is like you, she says  
(Doo doo doo)  
Reminds me I'm alive, she says  
(Doo doo doo)  
I won't believe a word she says  
Her love is hardly there  
And she won't believe me when I say  
I never really cared

She says  
Doo doo doo  
Doo doo do do doo  
Doo doo doo  
Doo doo do do doo  
Doo doo doo  
Doo doo do do doo

She has dreams when you're with her  
She says words you've never heard  
You were always telling fairy tales  
She is charmed while I get red  
I don't know what she should say to you  
I just know I want her to  
But she's too afraid you'll disapprove  
I'll tell you truly, I'll tell you truly

I'll tell you truly

'Cause beauty is like you  
She says  
(Doo doo doo)  
Reminds me I'm alive  
She says  
(Doo doo doo)  
I won't believe a word she says  
Her love is hardly there  
And she won't believe me when I say  
I never really cared

She says  
Doo doo doo  
Doo doo do do doo  
Doo doo doo  
Doo doo do do doo  
Doo doo doo  
Doo doo do do doo

She feels you up 'til you're so high  
She couldn't touch you if she tried  
But out of sight's not out of mind  
And in the end I'll have to leave you  
Tell you truly, tell you truly  
Tell you truly, tell you truly

'Cause beauty is like you, she says  
(Doo doo doo)  
Reminds me I'm alive, she says  
(Doo doo doo)  
I won't believe a word she says  
Her love is hardly there  
And she won't believe me when I say  
I never really cared

She says  
Doo doo doo  
Doo doo do do doo  
Doo doo doo  
Doo doo do do doo  
Doo doo doo  
Doo doo do do doo
