[Rettke/Paeth/Bilski]

In my dreams there's a fire  
And a man tells me to beware  
Face to face I'm leaving to take care  
If I get a desire  
And I run like a devil's dare  
Face to face he takes me to his place

[BRIDGE:]

Say if it's real  
Or is it a tale, so what should I feel  
He gives me his advice  
I have to realize

[CHORUS:]

Don't ever touch the light  
If you don't stand on the edge of time  
Touch the light  
If you're ablazed from a neverending rising power

In my dreams I feel passion  
And a man tells me to be strong  
Face to face he tells me right from wrong  
Oh, life could be an aggression  
If you don't know where you belong  
Face to face he takes me to his place

[BRIDGE]

[CHORUS]

[SOLO]

[BRIDGE:]

Now I know that it's real  
It's not been a tale, I know what I feel  
I've failed to his advice  
I have to realize

[CHORUS:]

Don't ever touch the light  
If you don't stand on the edge of time

Touch the light  
And if you fail you will never dream again
