There's a heartbeat in the city  
Caught in the rush there's no pity  
On the edge of day  
Late night traffic, late to go home  
I'm slippin out into the twilight zone  
I'm on the edge of day

[1]

In a stolen moment two lovers meet  
Whisperin' promises they can't keep  
Across the bar jukebox plays  
Out in the night they steal away

[2]

Out on the meanstreets, feel my heartbeat  
Each and every step I take  
Out on the meanstreets, feel my heartbeat  
It's in every move I make

With all the heat now, and all the stories  
Heroes wrestle for the chance of glory  
On the edge of day  
Midnight cowboys make the sweep  
There's nothing sacred on the street  
We're on the edge again

[Repeat 1]

[Repeat 2]

When the lights go down you know life comes easy  
It's easy baby  
In the wild West End you can find  
A friend tonight,  
Oh tonight  
Got to keep this heart. inspired

[Instrumental]

[Repeat 1]

[Repeat 2 twice then the instruments wrap it up]
