

## Heavens Gate "Name Of Love"

Visit "[Name Of Love](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Living in a one-room  
If I don't fall in love soon  
Hangin' on the telephone  
If I don't get your call soon

[1]  
Every night I spend alone  
I've never been so low  
And this room is closing in  
If I die, who will know

[2]  
In the name of love  
Is there someone left for me  
In the name of love  
Set this heart free

Dreaming of a playmate  
If I don't fall in love soon  
Strangers on a dark night  
But it's all over too soon

[Repeat 1]

[Repeat 2 twice]

[Instrumental]

[Repeat 2 twice]
