Born into darkness
Never seen the sun that's shining on my head
Walking courageous
Never been the one who's feeling it's a shame

There's no barrier, there's no border
That could stop me, can you hear that rebel yell?

Black day surrounds me
There's no colored dream and story I could tell
Feels like a fortune
There's no color statement I could ever sell

Sounds of silence, need the distance
For the balance, can you hear that rebel yell?

Every single step of mine
Brings a shining glance into my eyes
Don't you know that it's a crime
If you're gonna try to hypnotize

Born into darkness
Never seen the sun that's shining on my head
Walking courageous
Never been the one who's feeling it's a shame
Never been the one who's feeling it's a shame

There's no barrier, there's no border
That could stop me, can you hear that rebel yell?
Rebel yell

Rebel yell
Rebel yell
(There's no barrier)
Rebel yell
(There's no border)

Rebel yell
(There's no barrier)
Rebel yell
(There's no border)
Rebel yell

Rebel yell
