Every time the show is over
Party starts again
Need another booze shower
Bleed the night, my friend

Are you ready guys?

All I see are turning stars
I'm falling down the floor
In the end I'll get a kick
From the bouncers at the door

All we need is action
All we need is spinnin' round and round
Oh, we are the attraction
All we need is dynamite unbound

Oh, we are dancin' side by side
It's going up and down
Oh, we are f'n' dynamite
We blow you up and out

Next day in the morning
I'm pukin' like a beast
Got another headache
And no bucks at least

Where's my money gone?

Over twenty condoms
On the bedroom wall
Stickin' on the carpet
Waitin' for a nine month call

All we need is action
All we need is spinnin' round and round
We are the attraction
All we need is dynamite unbound

Oh, we are dancin' side by side
It's going up and down
Oh, we are f'n' dynamite

We blow you up and out

All we need is action
All we need is spinnin' round and round
Oh, we are the attraction
All we need is dynamite unbound

Oh, we are dancin' side by side
It's going up and down
Oh, we are f'n' dynamite
We blow you up and out

Oh, we are dancin' side by side
It's going up and down
Oh, we are f'n' dynamite
We blow you up and out

We blow you out
