So this is it, have we come to the end
No more fun, oh my friend
But I'll take my chances now
Lettin' loose again

Wreckless weekends, weekends
Led by my heart, not my head
Tearing this whole world apart

I found something no one steals
It's love of life, it's so real
And I know it's hard for you
But here I go again

Wreckless weekends, weekends
Led by my heart, not my head
Tearing this whole world apart
Bringing me down when it starts

And if it's a lifetime term
Babe I guess I'll never learn
Got to make a stand right here tonight

Got the fever right to my feet
Kicking my heels and I'm coming on heat,
Tonight's the night we make it real
Oh baby, it's a steal

[1]
It's no good tomorrow, it's too far away
I'm keeping my hand in, you gotta stay
There's no time for makeup, just put on your shoes
You know we've got nothing to lose

[2]
Wreckless, born for a wild weekend
Wreckless, pushing it 'til the end

I'm tired of Houston, it sticks in my throat
I'm gonna swim, not gonna float
So break these chains and let me loose
'Cuz if I can't win, I'm gonna choose

[Repeat 1]

[Repeat 2]

[3]

And I can't stand one more lonely night

Without a love that's got no fight

Oh baby, let me know

C'mon sugar, let it show

One more time, we will know

I gotta keep you, can't let you go

[Instrumental]

[Repeat 3]

[Repeat 2 twice then let the instruments take it on
home!]
