"Baby's Gone"

I grew up in your house.
I grew up with your rules and I know sex is what I
shouldn't do.
I know what i can't tell you.

baby's gone away.
baby won't be back.
baby grew today and she won't ever be back.

maybe you loved me;
maybe you didn't I don't know.
it doesn't matter now because when I needed help I
was all alone.

now baby's gone away.
sometimes condoms break.
your baby grew today, and she won't ever be back.

I'd be a little girl forever.
I won't make you ashamed.
little girl's gone away because I died on a knitting
needle yesterday.

baby's gone away.
baby won't be back.
baby grew today.
I did what you told me to do- now I'm dead.
goodbye. goodbye.
