did ya want it so bad  
did ya have it, didya have it built up in your head?  
did he hurt you just once?  
or more, or more, or more than you can count?

i'll take it, i'll take it all.  
i don't care, i don't care, i don't care anymore.  
just give me one chance  
and maybe and maybe i'll get out of here uuh...

the ones who hurt you will not be right  
the ones who hurt you will be a lie

did you see me or me you  
while we squirmed, while we crawled  
while we cried while we puked  
did i tell you "oh no,  
he's really, he's really, he's really ok"?

i'll take it, i'll take it, i'll take it all  
i don't care, i don't care, i don't care anymore.  
do you know what i'll tell you  
I HATE I HATE I HATE yr boyfriend uuuh...

the ones who hurt you will not be right  
the ones who hurt you will be a lie  
would you believe it was true?  
would you believe it was true? i do. i do, i DO!

did you take it in stride  
or was it like candy did it eat your insides?  
did i promise myself  
"it can't be this way for the rest of my life"?

i'll take it, i'll take it, i'll take it all.  
i don't care, i don't care, i don't care anymore.  
are you screaming? oh damn  
i'm getting, i'm getting, i'm getting out now.
