Here I sit alone at the window
The rain falls down on the glass in the cold
All my life I've been waiting for this moment
It never came, maybe it never will
Ah, sometimes I don't know

Those days are gone
Now I hide where I just can't say
I'm still there catching you tears
As they fall to the ground

You, you're walking away
You couldn't stay
You need a change of heart
You, you're walking away
You couldn't stay
You need a change of heart again

Trees are bare
The earth, it is hard
Now I wait for winter
Soft winter and snow

Those days are gone
Now I hide where I just can't say
I'm still there catching you tears
As they fall to the ground

You, you're walking away
You couldn't stay
You need a change of heart
You, you're walking away
You couldn't stay
You need a change of heart

And I know wherever you go
I'll be around, yeah
I'll be there catching your tears
Before they fall to the ground, yeah yeah yeah

And I know wherever you go
I'll be around, but I just can't say, "I'll be there"

I know my heart, I know, oh
I'll always be there, oh yeah

You, you're walking away
You couldn't stay
You need a change of heart
You, you're walking away
You couldn't stay
You need a change of heart

You, you're walking away
You couldn't stay
You need a change of heart
You, you're walking away
You couldn't stay
You need a change of heart, yeah
Oh yeah
