Always let you down...

Always fooled around

Always stealing your own way

Life just seems too short

Life lived in the dirt

Kicked in the theet

Is what you meant to say

Fighting battles, never fired a shot

When you step into the fire

You're gonna get burned

Hide all the money you saved

Money won't pay

For the trouble you caused

Troubles coming back for more

Living on the edge

A blind man kneels on broken glass

Building the bars of his own case

Running circles till you drop

Hating life until it stops

Kicked in the theet

Is what you meant to say
