In your hour of darkness, Be not afraid,  
As the moonlight shimmers on your grave,  
Come back to find you here, Save you from the danger,  
Come back to lead you home, From the hooded  
stranger,

Conjuring the ghost of Cain,  
He won't let you fall again,  
Return your soul to sleep again,  
Conjuring the ghost of Cain,

Cross a cork with silver, Won't save you now,  
You must pay the ferryman, Pay him somehow,  
There's only one place left, To take you across the  
river,  
You'll never know who saved you, The angel who  
delivered,

Conjuring the ghost of Cain,  
He won't let you fall again,  
Return your soul to sleep again,  
Conjuring the ghost of Cain,

A streamer from the sun, Fire round your heart,  
The earth gives up its dead, The brothers are apart,  
(SOLO)

Conjuring the ghost of Cain,  
He won't let you fall again,  
Return your soul to sleep again,  
Conjuring the ghost of Cain,

Conjuring the ghost of Cain,  
He won't let you fall again,  
Return your soul to sleep again,  
Conjuring the ghost of Cain.
