There's a sinister game the children play
Hey, hey, hey, hey
When they get to the end of each school day
Hey, hey, hey, hey

They spend their lives getting ready for the kill...
(aaah)

Laughing in the hiding bush
The joker is back
Laughing in the hiding bush
The joker is back...

Who remembers the names of fallen heroes?
Hey, hey, hey, hey
Who remembers today to fly their flags?
Hey, hey, hey, hey

I couldn't say I loved ya like I did before...
(nahh)

Laughing in the hiding bush
The joker is back
Laughing in the hiding bush
It's a laughing attack
The joker is back
He's wild in the pack
The joker is back

(laughing in the hiding in the kicking in the bush, yeah)

Laughing in the hiding bush
The joker is back
Laughing in the hiding bush
The joker is back
Laughing in the hiding bush
He's wild in the pack
(la, la)
Laughing in the hiding bush
The joker is back...
(laughs)
