I am the teacher, come to reach ya  
Take the old words back to you  
You were lost, but I found you  
And it's your choice what to do  
I've learned a few things as I've traveled through the  
years

Through the door of evermore...

I came through fire, came through water  
Through the oily serpent's kiss  
Climbed the mountain, chased the dragon  
Thrown myself in the abyss  
Do I make myself a million trillion now?

'Cause I've been around you  
And I'm glad I found you...

I am the living flame, and I teach the holy games  
Teach the secret of the dance  
Throw the future in the ruins  
Kick the sand and save the space  
I'll put Jesus in his place  
Shame on our priest, it's all the same  
The Magician is my name

(woah-oh-oh, oh-oh)  
The Magician is my name  
(woah-oh-oh, oh-oh)  
The Magician is my name  
(woah-oh-oh, oh-oh)  
The Magician is my name  
(oh-oh)  
And magic is my game

Now I know you, and you know me  
We have secrets we can share  
We can build a new tomorrow  
From the trash of yesterday

It won't be the last time  
And I'm glad I found you...

I am the living flame, and I teach the holy games  
Teach the secret of the dance  
Throw the future in the ruins  
Kick the sand and save the space  
I'll put Jesus in his place  
Shame on our priest, it's all the same  
The Magician is my name

(woah-oh-oh, oh-oh)  
The Magician is my name  
(woah-oh-oh, oh-oh)  
The Magician is my name  
(woah-oh-oh, oh-oh)  
The Magician is my name  
(woah-oh-oh, oh-oh)  
The Magician is my name
