Hey, you wait, cringin' in the dark
(Hey)
You create, what you always fear
A puppet of hatred, dishin' out poison
You use, me for bait, your beggin' bowl of lies
(Bait)
Chain letters of snivelin' compromise

I can smell the difference
Your truth and your fiction
You and your twisted convictions

Were you my friend, when I belonged?
Were you my friend, when I was strong?
Were you my friend, when I was weak?
Were you my friend, when I was crawlin', callin'
Out of my head?

Cold, like your blood
The snake is always cool
(Cool)
When things get tough
You slither on the ground
You cover up your tracks when I'm around
(Hahahaha)
(Yeah)
It's over now, my friend
Your dog has had it's day
It's payback time for what you had to say

You're stuck with the life you made
Stuck with the plans you made
Stuck with everything you are

Were you my friend, when I belonged?
Were you my friend, when I was strong?
Were you my friend, when I was weak?
Were you my friend, when I was crawlin', callin'
Out of my head?

Everything's gonna happen now
Everything's gonna happen now

Everything's gonna happen now
Everything's gonna happen right now

Were you my friend, when I belonged?
Were you my friend, when I was strong?
Were you my friend, when I was weak?
Were you my friend, when I was crawlin', callin'
Out of my head?

Crawlin', callin'
(Crawlin', callin')
Out of my head
(Head)
Crawlin', callin'
(Crawlin', callin')
Out of my head
