When shall we three meet again?  
In thunder, lightning, or in rain?  
When the hurly burly's done?  
When the battle's lost, not won?

A tyranny of souls that love has lost  
A tyranny of souls, a Pentecost  
Speak in tongues of fire  
Inflaming our desires, watching as we die

Who rips the child out from the womb?  
Who raised the dagger, who plays the tune?  
At the crack of doom on judgment day  
No ocean could wash my sins away

A tyranny of souls that love has lost  
A tyranny of souls, a Pentecost  
Speak in tongues of fire  
Inflaming our desires, watching as we die on our own  
cross  
A tyranny of souls

We are the black space, we are the black light  
We shine where no others dare  
Killing my head with the neon, suffering my fate for no  
reason  
No is a relative stranger to my life

Deeds of the faithful, seeds of betrayal  
Hammer the nail into my hand, anger is ruler in my  
land  
I am the killer of weakness in my head  
We are the black light, we are the black space

A tyranny of souls that love has lost  
A tyranny of souls, a Pentecost  
Speak in tongues of fire  
Inflaming our desires, watching as we die on our own  
cross

A tyranny of souls that love has lost  
A tyranny of souls, a Pentecost

Speak in tongues of fire  
Inflaming our desires, watching as we die
