You got.. I-I could say so many things about you
but, yo I love you cause you're real
Know what I'm sayin? You special

[Q-Tip]

Yo, yo..

[Kool G Rap]

Aiyyo, check this out

This the man that's (Wanted Dead or Alive) Kool G Rap

Full ... in effizneck, yaknahwhamsayin?

And I feel my man Heavy D as one of the most top dog

Record label ... in the business

Younahmsayin? Straight from down, "Mr. Big Stuff"

So I just wanna drop the line on you

HA~! So my man.. umm, hit me on the hip yo, and uh...

[Positive K]

Yeah, the one thing I like about Heavy D
is that uh, he keeps it real, you know
He gave me some advice when I started
and I think, um.. that's one of the reasons
I guess I'm Positive K right about now

[Pete Rock]

Yo.. What I like about my cuzzy cuz, Heavster
is that he's the dopest, cleanest cut, big boy rapper
And ANOTHER thing I like.. about my cousin, Heavy D
is he lets me come over his house, and raid his kitchen
Raid the refrigerator and I ain't gotta clean up behind
myself, man
This is P-R (Pete Rock) Chillin, peace

[Martin Lawrence]

Yo, waddup, this is Martin Lawrence, to my man Heavy
D
Undoubtably, one of the best rappers in the game
Also one of the THICKEST brothers in the game
Yo, and if you ever had his momma's jerk chicken
You'll know why the man goes "Diddley-diddley-
diddley D"
Yo Hev, nuttin' but love, boyee! PEACE!

[Little Shawn]

Yo waddup, this is Little Shawn, yaknowhatl'msayin
Hev is the man regardless of anything because
he does what he feels, yaknowhatl'msayin, from the
heart
He's a good brother, and he always let you know what's
on his mind
Yaknowhatl'msayin, like all these people perpetratin
gangsta
Hev ain't on it like that, he's a real brother
Peace!

[KRS-One]

(Blastmaster KRS-One in the house!)
...As a matter of fact
from 1986, y'know, we came out together, so..
I think uh, Heavy D is kinda LARGE
Yo Hev, represent

[Treach]

Waddup, this is Treach in the house
I like to comment, on my man Heavy D
As a person, he's one of the coolest..
people you'd even wanna get to know
Youknowsayin, every time Heavy D comes out
It's a whole different level, he never stays on one side
He's one of the most unpredictable emcees, in hip-hop
history
that has been, underrated in my opinion
But has more street respect than a lot of
the hardcore rappers that's out there right now
We love you from Naughty, Heavy, and we out

[Buju Banton]

Yea.. One big reespek goes out to Heavy D
Ev'ry time, comin from Buju Banton
Cuh I say Heavy D, Heavy D [?]
Heavy D original, Heavy D... MASH UP
An' time Heavy D pon di dancehall it's just murdah
Man a slip and man a slide, watch di tide

[MC Lyte]

Wassup WASSAAAAHHHUP!
This is MC Lyte right about now
Here to definitely uh, congratulate Mr. Heavy D
You've done it, uh, once again and again
and you continue to do it so well
Uh, the reasons why I like Heavy D
is he's like one of those types if rappers
that you CAN listen to in front of your mother
And um.. even better than that, your mother'll wanna
listen to him
So that's grand when you're listenin to Heavy D

[Spike Lee]
