Now girl, you make me happy
More so than I ever been
Besides you being me lover
You're my very best friend

You have a smile that's so bright
Just as radiant as the sunlight
This is so right

You and me, and now I know what bliss is
A thousand hugs and kisses, courtesy of me
And the whole world as my witness
A thousand hugs and kisses, courtesy of me

Now my friends even noticed how
We complete each other's sentences
I can't imagine my future without
Having you right beside me, love

But none of that I have to worry 'bout
'Cause I'm a fool, so why would I ever leave?
It's always gonna be

You and me, and now I know what bliss is
A thousand hugs and kisses, courtesy of me
And the whole world as my witness
A thousand hugs and kisses, courtesy of me

Say girl, you are my queen, you're my everything
That's what you mean to me, hey
It's not too much though it's not a dream

But reality, but this is real as it can be
You got me showing all my teeth
Smiling like I just hit the lottery
And that's what I did, the day that I met you

And now I know what bliss is
A thousand hugs and kisses, courtesy of me
And the whole world as my witness
All these kisses, courtesy of me

I said mi love yuh, love yuh, love yuh, love yuh
Love yuh, love yuh, love yuh, love yuh, love yuh
I do, I said mi need yuh, need yuh, need yuh
Need yuh, need yuh, need yuh, need yuh, need yuh

I do, I said mi love yuh, love yuh, love yuh, love yuh
Love yuh, love yuh, love yuh, love yuh, love yuh
I do, I said mi need yuh, need yuh, need yuh
Need yuh, need yuh, need yuh, need yuh, need yuh
I do

And now I know what bliss is
All this kisses, courtesy of me
The whole world as my witness
All this kisses, courtesy of me
