Yes, yuh dun know soldier weh yuh seh fadda?
Yuh know? Watch it, yes man

Queen majesty, may I speak to thee?
So much I've long to speak to you alone
Truly I agree, I'm not of your society
I'm not a king just a minstrel but my song to you I sing

Oh, just a minstrel
Our worlds are so far apart
Royal queen, I see love in your eyes
Your eyes, I love you too

Is it really true? These things I ask of you
Oh your majesty, could you really care for me?

Oh, just a minstrel
Our worlds are so far apart
Royal queen, I see love in your eyes
Your eyes, I love you too

Now royal queen, royal queen, so pretty and fine
Every night and day yah mon yuh step pon mi mind
More than one in a million 'cause you're one of a kind
I will keep you in front and never leave you behind

Royal queen, royal queen, I love you so
Never ever, ever gonna let you go

Oh, just a minstrel
Our worlds are so far apart
Royal queen, I see love in your eyes
Your eyes, I love you too
