[Heavy D]

I'm gon' make you love me!

Word.. word..

Word, word

Pretty lady, can I have a  
Second of your time, in order to deliver  
This message that I've been keepin  
Inside for a while since you and I been meetin  
Now, I've seen girls, in many different places  
Some were fly, some with okay faces  
But all that you could do was stop and glance  
But you really caught the eye of the Overweight Prince  
That day that I saw you shoppin in Macy's  
Tried to track you down, girl you drove me crazy  
Now that I got you, in front of me  
You'll never wanna leave Heavy D, I'm gonna make you  
love me

[Chorus]

I'm gonna make you love me, love me

I'm gonna make you love me

I'm gonna make you love me, love me

I'm gonna make you... love me

[Heavy D]

It took weeks, tried to track you down  
Spent a whole lot of time searchin all around town  
It's like you disappeared, without a trace  
Then one day I turned around BOOM you're right in my  
face  
So just chill, cause this will only take a minute  
Sit down relax while I start from the beginnin  
See I am Heavy D and entertainment's my profession  
There's no stoppin love when I start my caressin  
I can make your day, much brighter than the sun  
And if you like good times, I'm the one for fun  
I won't try to buy you girl with my money or gold  
Cause love can't be bought is how the story is told  
But I'll treat you really good, give you all of my time  
And each and every day you will be on my mind

All I want from you is truth and honesty  
You'll never wanna leave Heavy D, cause I'ma make  
you love me

[Chorus]

I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna make YOU... love me

[Heavy D - over Chorus]

Yeah you see what I'm sayin?  
Y'know, come to the crib, say about 9 o'clock  
And I'll have the filet mignon  
And Dom Perignon CHILLIN on ICE  
And when you come, park, y'knahmsayin? Word
