(Now that we found love what are we gonna do)
[what are we gonna do] (with it) [with it]
(Now that we found love what are we gonna do)
[hey-eay] (with it)

(Now) One two, tell me what you got
Let me slip my quarters inside your slot to hit the
jackpot
Rev me up rev me up
My little buttercup
We can tug sheets snuggle up and get stuck
Believe it or not
Here comes the brother with glow
A strugglin', bubblin' overweight lover hurt prone
So what's it gonna be
Me or the TV
Now let me take time to set your mind and your body
free
(Now) So why don't you just stretch
Stretch for a sec
Played ??? so I could cop a quick rec
Shake me, Shake me
Baby baby bake me
No need to fake here I am
Come on and take me
Wind your body
Baby move your body
I see you slip sliding
Come on now do it hottie
I'm not quite sure as to what is going down
But I'm feeling Hunky Dory
'bout this thing that I found

(Now that we found love what are we gonna do with it)
(Now that we found love what are we gonna do
With it) [come on Heavy, come on Heavy]

(Now) I dig the way you wiggle
You don't jiggle
Once you jiggle
So hand over your love
Cause it's heavier

Than it'll
Move her like a mover
She wanted to groove so I grooved her
Then she wanted to learn so we did school
And I schooled her
(Now)[Mary had a little lamb]
But not like this
We can waltz and turn
Rumble tumble and twist
Then you think you gonna give in
Phantasies relivin'
So lay down and relax
[yeah baby, that's it]
(now) Lover my lady
Lady love of my baby girl
Spread your wings
So we can fly around the world
Harmony, charm of me
Your fingertips are callin me
When you drop me kisses
You're so cute you drop the bomb on me
(Now) Stretch it, stretch it
Flex it, flex it
Gimme the permission
Okey, dokey
I'll bless ya
Blessin' like buddha
Buddha as the bless
You can lay down on the Lover
Put your head on my chest

(Now that we found love what are we gonna do)
[what are we gonna do] uh, yeah (with it) [with it] uh
(Now that we found love what are we gonna do)
[come on and tell me] (with it) TR, get em up one time
(Now) Uh, keep it funky
Yeah [keep it smooth] like this
(Now) Uh, here we go

(Now) What can we do
What are we gonna do
Roses are red and Violets are blue
Love is good and plenty
If you get plenty good lovin'
Kiss you where you're hot
To what I got to keep you bubblin
(Now) Do me right
Do me right
My lonesome dove
Tell me one more time
What is this thing called love

I'm not quite sure
As to what is going down
But I'm feelin' Hunkey Dory
'Bout this thing that I found [yeah]

(Now that we) [now that we] (found love
What are we gonna do) [girl tell me] tell me
(with it) [what are we gonna do with this]
Teddy Riley in the house
(Now that we found love) c'mon, c'mon (what are we
gonna do)
G Wiz, DJ NF [tell me what are we gonna do with this]
(with it) let's flex

(Now that we found love) c'mon, c'mon (what are we
gonna do)
Yeah [tell me somebody got to tell me] (with it) and you
don't stop, keep it on
(Now that we found love) [I need to know] c'mon, c'mon
(what are we gonna do)
[somebody got to tell me, got to tell me] yeah (with it)

[what are we gonna do with this love, oh sweet love]
yeah [oh love] c'mon
Oh yeah, uh; shake it shake it
(Now) oh yeah, uh

(Now that we found love) put your hands together,
c'mon
(what are we gonna do) uh, uh [I don't know baby] (with
it)
[I don't know babe] bring it back one time

(Now) All up in money
My furnish was decades
You hear what I'm sayin
Oakland, Bronx, Queens, Manhattan
[what are we, what are we gonna do]
The whole New York City
I said I love you to death
And you don't stop
And you don't quit
You got keep it on to the dip dip
Do it like this
And you don't stop
And you don't quit

[what are we, what are we gonna do]
You got keep it on and on and on and on

(Now) Uh yeah yeah aye aye, ha ha
Huh, [c'mon] oh yeah
(Now that we found love what are we gonna do with it)
