Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team

Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
It's just the way I like it

I need a girl who ain't scared to scrap  
Someone who got my back  
Gotta be a dark skin, a light skin  
Like the type of girl that stays busy all day

But when the sun goes down  
She's my sexy soufle  
Somebody real who ain't afraid to work it  
If you try to disrespect her face

Around and get her feelings hurt  
She ain't [unverified] from your [unverified]  
She'll only flex with a brother that can handle it, a  
And I don't care if she's a little bit jealous

She can still be a lady while she's coolin' with the fellas  
An intellectual, beautiful, sexual  
Hands on her hip and when she flips she's incredible  
Candlelight [unverified] from her mack

But she's a trooper if she has to spill the beans from  
the can  
A very nice girl but not mistaken for no softy  
And that's the way I like it, yeah, my black coffee

Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team

Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team

Black coffee, no sugar, no cream  
It's just the way I like it

Black coffee got the flip like a mitten  
Roars like a lion and when I stroke her kitten  
Versatile when the coke gets mine  
She got a positive style ain't had none in a while

Party animal but Biggie only when she with me  
And I don't have to worry 'cos she won't disrespect me  
She's everything that a man dreams about  
And when I'm with my crew she's all I talk about, hey

Fancy here, jewels all flushed  
Backside bigger than a mob but don't touch her  
Prettiest girl she know the ones with the slip  
A closet full of gear so you know she stay [unverified]

Body so smooth from using plenty lotion  
Perfume smelling like some old sex potion  
A very nice girl but not mistaken for no softy  
And that's the way I want it, yeah, my black coffee

Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team

Black coffee, no sugar, no cream  
That's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
It's just the way I like it

Break it down  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream

Black coffee, the African queen  
Part of [unverified] Afro-American dream  
Enough respect, I'm diggin' intellect  
Appreciate the fact that you never miss a step

The backbone of the black bone here's to ya  
As long as I'm around believe me none could ever do  
ya  
You warm, considerate and far from a softie  
And that's why I love ya, you're my black coffee

Black coffee, no sugar, no cream

That's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
Hey that's the kind of girl I need down with my team

Black coffee, no sugar, no cream  
Uh that's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
It's just the way I like it

Black coffee, no sugar, no cream  
Uh that's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
Hey that's the kind of girl I need down with my team

Black coffee, no sugar, no cream  
Hey that's the kind of girl I need down with my team  
Black coffee, no sugar, no cream  
It's just the way I like it

Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
It's just the way I like it

Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
It's just the way I like it

Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
Black coffee, no sugar, no cream  
It's just the way I like it
