The night is black, I'm ready to attack  
Vengeance is boiling inside my soul  
Haven't forgotten, my brain is getting rotten  
So I kill them all before I lose control

Down the subway they can't get away  
I know all dealers, no one I'll save  
Out to the night into the neon light  
I'm in for the kill out on the...

Bleeding streets  
Bleeding streets

Revenge of a living dead  
Vengeance is boiling inside my head  
Revenge of a living dead  
Revenge of a living dead

I've made up my mind, the plan's in my head  
Revenge of a living dead  
I'm one of the living dead

A junky I am, don't even look like a man  
I'm a living dead, got nothing to lose  
My death is slow but I can't say no  
Victim of the big bad city

Bleeding streets  
Bleeding streets

My life's been a mess but I didn't sell death  
Those who did I killed for free  
All over this town blood is floating all around  
My knife's done right everyone must see

I'm on my last trip, life is losing it's grip  
I leave this letter where I die  
I've done a good thing, it makes my soul sing  
I made the streets bleed

Bleeding streets
