Apparently there are fireworks over the bridge  
That I can see from my hospital window,  
And I'm curious...  
I am curious how they'll look now that everything is so  
dark.  
Cancer rolls around here gently as a tumbleweed,  
We roll our bloodshot eyes at them and they keep on  
rolling.  
We really forget what life's about,  
I can't remember the differences.  
Were getting stuck inside the boxes we create,  
Who gives a fuck when all the toxins are the same.  
I guess were picking our casket out,  
I guess were all just getting stuck inside the boxes we  
create,  
So drink up,  
Drink up cause all we ever get is a tas
