She sits on the shore,  
Her legs open to the sea,  
Hoping something cleaner washes in. the boats  
offshore,  
They moan in heat, dragging their ass on the ocean  
floor.  
Oh please just give us a little more of that love we bore  
our mattress for.  
The tide it cums and comes and cums and she is wet  
with waiting,  
Overwhelming sexual tension has readied her for such  
situation,  
Her sloppy dock has been torn open again and again  
for me,  
And we will not remain affectionless.  
What the fuck were you thinking bringing her this  
rotted beachwood,  
You should have known it wouldn't have been good for  
you,  
It's no good for anyone.  
But, there is no good in anyone
