Pretty wouldn't say, What I want her to.  
Look the other way, like they told you to.  
So you think you know your place,  
Because you've got the face.  
Pretty had to say, what I always knew.  
I could never be beautiful like you

So long the Broken.

And I hold my head up high.  
And I throw myself aside.  
And I throw my head up high.  
And I pull myself aside, even then I wonder.  
And I hold my head up high.  
And I throw myself aside.

You'll never say, fuck them can't you stay.  
In the world your far above, what I'm allowed to love.  
Pretty's out of place, void beside my face.

So long the broken.

And I hold my head up high.  
Then I throw myself aside.  
And I throw myself up high.  
Then I throw myself aside, even then I wonder.  
And I hold my head up high.  
Said I throw myself aside.

I want to go to heaven ,so I can be there when you don't  
show. I want to play, I want play with you, no. no
