I'm over the exercise,
I'm over the dull surprise,
I'm over what you've got for me,
I'm over corporatised,
I'm over strategised,
I'm over what you've got for me.

I'm over of good book,
I'm over the dirty look,
I'm over what you've got for me.

And you know that it's true,
Would I do that to you?

You've over simplified me

Sorry, so long gone, Sorry.
Sorry, two and three zeros gone by.

I'm over privatised,
I'm over the sub-divide,
I'm over what you've got for me,
I'm over the pretty girl,
I'm over this ugly world,
I'm over what you've got for me.
I'm over the master race,
I'm over the perfect face,
I'm over what you've got for me.
I'm over the low esteem,
I'm over the winning team,
I'm over what you've got for me.

You've over simplified me.
Simplify

Sorry, so long gone, sorry.
Sorry, two and three zeros gone by.

Two Thousand, try to be material, getting more than
everyone, gonna be superior,
Buying up the poor, owning every last one of them, I'm
gonna rule the new millenium.

Two Thousand

Sorry, so long gone, Sorry.

Sorry, two and three zeros gone by.
