Pete took up Latin dancing  
Sherry loved his style  
We loved to laugh as they glided past  
But he kicked the blues for a while

Manny wanted to be artsy  
Always dressed in black  
Our spirits rose as he struck the pose  
But he found peace in the wonderful clothes

And hey hey oh hey now, there you go  
Round and round and round it goes  
Where it stops no one knows  
Hey oh oh there you go  
Round and round and round it goes  
First to laugh is the last to know

Jimmy went and joined the gym  
His posing was a sight  
We thought he looked like a clown in tights  
But we were the ones home alone at night

And hey hey oh hey now, there you go  
Round and round and round it goes  
Where it stops no one knows  
Hey oh oh there you go  
Round and round and round it goes  
First to laugh is the last to know

Johnson loved to feign indifference  
A nihilist to the brim  
We'd shout as he would spout  
Nothing ever fazes him

And hey hey oh hey now, there you go  
Round and round and round it goes  
Where it stops no one knows  
Hey oh oh there you go  
Round and round and round it goes  
First to laugh is the last to know

Hey oh hey now
